

Understand that saying this prayer isn't some kind of magic spell to get you into heaven. It's something you have to mean from your heart.

If you prayed and asked God to forgive your sins and trusted in Jesus' death on the cross as the payment for your sins, then the Bible says you are saved.

"If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation." // Romans 10:9-10

After trusting in Jesus as your Savior, begin reading the Bible and asking God to help you understand it. Pray (talk to God) every day about everything in your life, and look to Him and to His word (the Bible) to guide you.

Look for a church that teaches the Bible and go regularly so you can spend time with others who believe in Jesus. Ask God to show you how to share your faith in Jesus with others who don't know Him yet.

READY TO BE SCARED?

Take the spooky
quiz inside!

Are you a good person? Most of us think we are, but let's take a quick quiz to really find out:

- Have you ever told a lie, even if it was because you didn't want to get in trouble?
- Have you ever stolen something, even something small, like sneaking a cookie before dinner?
- Have you ever disobeyed your parents or acted hatefully toward them?
- Have you killed someone? Okay, that one's a long shot! But have you ever been so mad that you hated someone? Jesus said that if you hate someone, it's like murdering them already in your heart.

The truth is, we've all told lies, we've all probably stolen something, and we've all acted with anger and hate toward others. These things are called sins, which is disobedience to God.

So no, you're not a good person. None of us are. The Bible tells us so when it says, "There are none good, no, not one."

The Bible also tells us that the wages of sin is death. Do you know what wages are? They're a payment that you earn for what you do. Someone in your family probably has to work to earn money, and that's their wages for working hard.

But death is our wages for our sins. So when we die, we'll have to answer for our sins, and the consequence of our sins is eternal death, which is going to hell. That's scary!

But there's still hope! This is what God promises us in the Bible:

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." // John 3:16

You see, God sent His Son Jesus Christ to come into the world and pay for our sins. He lived a perfect life without any sin of His own, and then He went to die on the cross for our sins. Then He rose from the dead, defeating sin and death for all who trust in Him.

The Bible says that if we turn from our sins and place our trust in Jesus, we'll be forgiven and will spend eternity in heaven with Him when we die. God loves us that much and He wants us to trust in the Lord Jesus so we can be forgiven—what a relief!

How do you do that? You just speak to God, which is called prayer. You can say something like this, but make sure you truly mean it from your heart:

God, I realize I'm a sinner and I can't pay for my own sins. I realize that heaven and hell are real, and I believe that you sent your Son Jesus to die on the cross for my sins, and that He rose from the dead to give me new life. Please forgive me of my sins. I want to follow You from this day forward.
